

There will be two new events added to the 6th Annual Barb Palzewic Hope Memorial Relay this year.

Organizers are planning a “Make it and Take it Scrapbook Greeting Card” activity. Participants can create a scrapbook greeting card to send to someone you know that is currently undergoing cancer treatment, or just make a greeting card for an upcoming occasion for someone you love.

Available for use at the event will be the Hope Expressions Cricket cartridge designed exclusively for Jo-Ann’s Fabrics, as well as many other custom designed stickers, card stock, ribbon, etc. Donation for the activity is just \$2.00 and will be limited to 16 participants at one time. Estimated time for instructions and construction of your personalized card is 15-30 minutes (includes one completed greeting card with envelope).

There will also be a used book and DVD sale ongoing throughout the day. Items will be available for a nominal fee. Unsold items will be donated to the Veteran’s Hospital in Iron Mountain, as well as local nursing homes in Menominee County.

Please contact Kathy Jensen (906-788-4229) or Margaret Raboin (906-753-6944) for donations of books/DVD’s or just bring them the day of the event, Sunday June 3 at the Stephenson Sports Complex.
